Guessing close to the correct weight of twenty-two chickens is something of a feat, especially when the flock has the run of a large area in a store window. The young birds in the hardware store

of R. R. Butts to advertise a brand of chicken feed created a wild sensation during the weight guessing contest. The bunch tipped the scales at 2 pounds, 9 3-4 ounces with six guesses within one-quarter of an ounce of the correct weight.

A trophy cabinet has been installed at the high school for cups and other prizes

won by the winter sports teams.

GIVING OUT

The Struggle Discourages Many a Citizen of Norway

Around all day with an aching back, Can't rest at night; Enough to make anyone "give out." Doan's Pills are helping thousands. They are for kidney backache, And other kidney ills.

Here is Norway proof of their merit:

John F. Sampson, prop. painting establishment, 174 Main St., says: "I was feeling run down and miserable. I was tired and nervous and my kidneys didn't act regularly. At times the secretions passed too frequently, then again they were scanty. My head ached night and day. A friend advised me to try Doan's Pills so I sent to Stone's Drug Store for them. When I had finished taking Doan's the trouble left and I have not been bothered since. I can certainly recommend Doan's to anyone afflicted likewise."

DURO Water Systems Lead

There Must Be a Reason

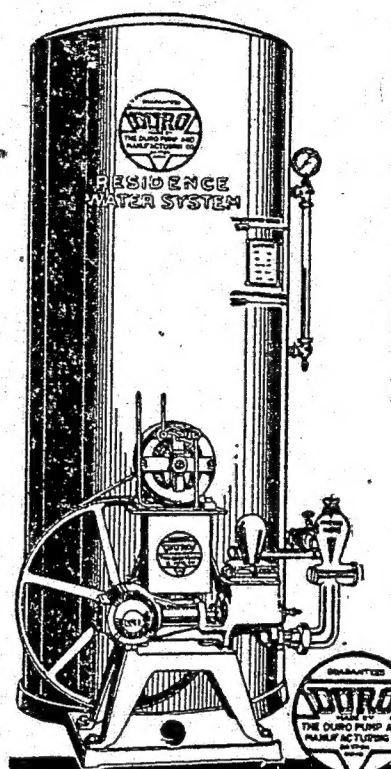

Naturally, there must be some reason why Duro has grown to be the largest exclusive manufacturer of private water systems in the world.

The reason is that the founders of Duro had faith that the American people would welcome a water system which would give real city water service to suburban and farm homes.

The original idea of a carefully designed and honestly built product sold at a close price has always been strictly adhered to. As a result the organization has grown until there are now nearly 17,000 Duro dealers all over the country.

DURO Water Systems

are made in many sizes and styles—for a bungalow, or country club; for shallow wells, deep wells, or cisterns. They are compact, powerful, and automatic. They are driven either by electric motor or gasoline engine.

There is no mystery about a Duro System—it is simple, practical and carefree. But there are many reasons why a Duro System will give you longer and better service.

Drop in and ask us to demonstrate Duro features to you—we will gladly quote prices also.

PASSING OF A LAND MARK IN LOVELL CENTER

With the passing into the hands of Benj. S. Whitehead, the owner of "Evergreen," the former property of Rev. J. E. Werren, next to the store and postoffice will probably soon appear in much modified form. But there will be a considerable change as the family of Mr. Werren will disappear from the scene.

After a sojourn of two summers (1893 and 1894) Mr. Werren bought a lot of land from Eekley T. Stearns. He and his family were the first summer visitors who built a permanent summer home in Center Lovell. Mr. Werren took in the exquisite beauty of the place, and with the erection of a simple cottage has begun that long development which introduced the steady growth that bids fair to make Center Lovell one of the most desirable spots for summer residents.

Great changes have marked the period of passing years, of the older inhabitants who still make the Center their home, there is but one on the main road through the hamlet, our most estimable and beloved friend, Mrs. Eekley T. Stearns. The old inhabitants have passed away, and a new generation sprung up during thirty years.

As to the community, the greatest innovation seems to have come to the church life. The Congregational body, lost almost all its supporters by death of its members, and at present is practically closed. The main activity appears to have fallen upon the Christian body. We remember the first acquaintance with that church, when such noble supporters as Mrs. Lydia P. Prater and Mrs. Sarah L. Charles were heroic workers. Of course there were many others, a number of them still alive, but we are recalling only workers and the changes following their decease. The church life was then (as largely now) in the hands of active women. They carried on the services themselves when the isolated farming district could not offer adequate inducement to an active man as a resident minister.

Much of this has greatly changed. From an old fashioned country church, it has become a summer community church. More and more frequently the services are suspended during the winter time and doors opened when the summer visitors return—the natural change, coming to a community, when it changes from a farming character to a summer resort.

Great days are coming to Center Lovell in the near future. Judicious investors will see sufficient inducements to erect attractive buildings for an increasing number of tourists, who will love more and more to find an abiding place for a charming recreation in one of the loveliest spots in the vacation and—Maine.

Center Lovell has yet in reserve some of the finest opportunities for such enterprise. The opening for suitable recreation is drawing lively attention to prosperity that is bound to grow as plans for larger cooperation will unify interests.

Jacob E. Werren.

Abington, Mass.

We print the following article which is a note to the editor, but it so explains the reasons for the preceding article, we print it in full: "I hope you will find room in a near edition to insert this communication. I leave Center Lovell in my eighty-first year, because my health does not permit travelling any longer. While compelled to give up my beloved summer home, Center Lovell, I wish to bid to the spot (which ever will be a real home, because the first place that I owned as my home) an affectionate farewell, and my sincere wishes for a deserving prosperity. Respectfully yours, Jacob E. Werren, over thirty years a subscriber.

Myers'

Residence Water System

The Myers Electric House Pump can be operated by any electric current or from the Farm Lighting and Power Systems. The motor equipment is 1-6 H. P., operation is automatically controlled by the use of the automatic controller. This appeals to users generally as it saves electricity, wear and tear on the pump itself, and saves time and labor in starting and stopping when water or pressure becomes low. Self-oiling, motor driven, automatically controlled, economical, efficient.

ESSEX Six COACH '975

HUDSON Super-Six COACH '1550

Freight and Tax Extra

Which?—

at the Same Price—the Half-Utility of the Open Car, or the All-Year Comforts and Service of the Coach? It is the One Important Question Before Buyers Today.

Since Closed Car Comforts Cost No More

Why Buy An Open Car?

THE issue with motor car buyers this year is closed car comforts at open car cost. The Coach exclusively provides such advantages without forfeit of chassis quality. It is a Hudson-Essex invention. No other type is like it.

More than 140,000 Coaches are in service. Sales exceed 3,000 each week. The Coach is the largest selling 6-cylinder closed car in the world. That proves the success of value.

It is the Closed Car for Everyone

Everyone prefers a closed car. The Coach alone is the quality car within reach of all. It changed the trend from open to closed cars. Now all can enjoy finest chassis quality with all-year utility, comfort, and closed car distinction.

In two and a half years the

Coach has proved a staunchness and reliability never before associated with a closed car. In every service it satisfies the pride of ownership.

The Same Quality in Both Hudson and Essex

Hudson and Essex are creations of the same engineers. They are built under the same patents. There is no difference in quality of material or workmanship.

The price you want to pay will decide you for Hudson or for Essex. The closed car advantages of the Coach and its price surely leave no other consideration.

BETHEL

Oxford Pomona Grange was entertained May 6 by Pleasant Valley Grange, West Bethel; at the sound of the gavel, all officers were present. Opening exercises and business occupied the first part of the forenoon, followed by the conferring of the degree of Pomona on twenty candidates. The degree work is always a very interesting feature. A recess followed and a dinner enjoyed by all. No one goes away hungry that goes to a dinner served by Pleasant Valley Grange. The program for the afternoon was:

Singing, "America"..... Mrs. Kessel
Sylvia and Dorothy Grover, Mrs. Bessie Kessel at piano.
Solo..... Clara Mason, Walter Inman
Clarinet-Piano (encore)..... Mrs. Kessel
Reading..... Geraldine Valentine
Piano duet Mrs. Kessel and daughter Marjorie
Address on rural schools..... Mrs. Kessel
..... R. J. Libby, State Agent
Brother Libby is a resident of Gorham, Maine, a member of Gorham Grange and a former teacher and his address was right to the point on schools all their needs. He illustrated many points by fitting stories which amused while instructive. His talk was much appreciated by all. The Grange Orchestra gave several selections at intervals, Bernard Rolf, saxophone; Melville Jordan, Walter Inman, drums, Mrs. Kessel, piano.
Original poem..... Mrs. Kessel
Music..... Dorothy and Sylvia Grover
Closing song "The Grange is Marching On"
The candidates were:

Mrs. B. L. Bennett, Mt. View Grange.
John Stevens, Round Mountain Grange.
Grace Clough, Bethel Grange.
Evander Whitman, Pleasant Valley Grange.
Morton Whitman, Pleasant Valley Grange.
Edwin Rolf, Pleasant Valley Grange.
Mrs. Alice Rolf, Pleasant Valley Grange.
Nelson Rolf, Pleasant Valley Grange.
Marjorie Kessel, Pleasant Valley Grange.
Doris Jordan, Pleasant Valley Grange.
Lillian Westleigh, Pleasant Valley Grange.
Lillian Harding, Pleasant Valley Grange.
Lillian Baker, Pleasant Valley Grange.
Hollis Hutchinson, Pleasant Valley Grange.
Loren Hutchinson, Pleasant Valley Grange.
Bernard Rolf, Pleasant Valley Grange.
Melville Jordan, Pleasant Valley Grange.
Franklin Burris, Pleasant Valley Grange.
Ella McKenzie, West Paris.

Twelve Oxford County Granges were represented with visitors from Kesar Lake Grange, Lovell; Gorham Grange, and Mt. Sugar Leaf, Dixfield.

The next Pomona is to be held with Waterford Grange, North Waterford, on June 3. Lin Flint, the Jungle man, was heard to say he hoped they'd have five hundred there and the table would be much decorated with custard pies, that being the case we know from past experience that the brothers will be there in full force for to them "pies is pies," but custard pie is "the" pie.

Interesting remarks were made by Bro. L. E. McIntire and several others during the session.

A taxi is now running from Bethel to Rumford twice daily.

Albion Holt and wife are entertaining relatives from the West.

Mrs. Anna Stearns has returned from Boston.

R. L. Cummings of West Paris was in town recently.

Mrs. Will Bryant is visiting in Lovell.

Mrs. Sarah Wheeler is visiting her sister, Mrs. Holt, on Elm St.

Corey Campbell has opened a blacksmith shop in Minot.

Mr. and Mrs. Elden Peterkin were in Norway shopping, Monday. Mrs. E. A. K. Grover went with them. They got back before the heavy rain.

Fritz Tyler with a crew will soon go to North Fryeburg to begin on the canning factory to be built there and managed by Mr. Tyler.

The funeral services were held at Garland Chapel, Saturday afternoon for Henry Clinton Barker who passed away on Thursday, May 8, aged 77 years. He was a native of Bethel, a veteran of the Civil War. His wife passed away twenty-five years ago. He leaves a daughter, Mrs. Eva Barker Clough, and one son, Bernard F. and many relatives and friends. S. T. Achenbach conducted the service.

The community was deeply saddened Monday evening to learn that Mrs. Rufus Skilling had passed away, as she had been ill only since Saturday. A severe case of pneumonia was the immediate cause of her death. Mrs. Skilling was the daughter of the late O. C. and Mary Hastings Frost.

Sunday River
Anson Kendall has returned from Boston and resumed his work scaling for the Berlin Mills Company.

Orin P. Littlehale is at home from Boston.

EAST BETHEL
Mrs. Octavia Bean has returned from Bethel village and opened her home here for the summer.

Mrs. J. H. Howe was the week end guest of her father, B. W. Kimball.

Joan Skilling, who is teaching school in the town of Mason, was over the week end guest of friends here.

Miss Bethie Morris, teacher of Gould Academy, was over the week end guest of Mr. and Mrs. S. B. Newton.

Mr. and Mrs. Ferguson Bean of Rumford were Sunday guests of their mother, Mrs. Octavia Bean.

Mrs. C. M. Kimball was last week's guest of her daughter, Mrs. G. N. Sanborn and family.

Mr. and Mrs. R. C. Clark, Hugh and Wendell of Auburn, and Mrs. Hester K. Stearns and Mary were week end guests of Mr. and Mrs. C. M. Kimball and family.

"Ye Olde Tyne Sugar, Etc." held at Grange Hall Friday evening, May 9th, called out an immense crowd. Dancing was greatly enjoyed, most delightful music being furnished by the "Hiltoness" Orchestra.

Mrs. Guy Bartlett, Mrs. George Knights and Mrs. C. M. Kimball of Alder River Grange attended Oxford Pomona at West Bethel.

COULD NOT WALK BECAUSE OF PAIN

Bad Case of Woman's Illness Remedied by Lydia E. Pinkham's Vegetable Compound

St. Louis, Missouri.—"I had such a bad case of female trouble that I could not walk because of the pains from inflammation. My back was all done up. I could hardly bend, could not go up stairs because of weakness, and no one could possibly be in worse shape than I was. I have taken twelve bottles of Lydia E. Pinkham's Vegetable Compound, and I am a strong woman now and can work down any of my neighbors. They wonder how I can do so much work. I dare say that I have recommended your medicine to a thousand women. A little book was thrown at my door, and that is how I first learned of it."—Mrs. D. M. BEAUCHAMP, 1104 Morrison Avenue, St. Louis, Mo.

New Home for sale in So. Paris

There has just been completed a new and very substantially built house of two stories containing seven rooms with hardwood floors and a large cellar together with connecting shed, excellent sewerage arrangements and a garage or barn of ample proportions for a near-village residence. The buildings are on the site of what was once the Jacob Bennett homestead on High Street at the corner of the old Hathaway Road adjoining Fred Bennett's home place and a short distance above the Swift Railroad Crossing. In accordance with his original intention, the owner, Rev. C. G. Miller, is now placing this property on sale and on very favorable terms. The location is one of the most delightful in Paris, being a part of that great open, sunny expanse on the east side of High Street just north of the Crossing and the well known and much visited Swift or Tribou Spring. The locality is within easy distance of Market Square and on a comparatively good and level road. Being just beyond the corporation limits the place is subject only to a town tax. The title to the property is perfect.

NORTH WATERFORD

A Regiment of Two
The Company Maine National Guard drama staged by Norway today in April will be repeated in the I. O. O. F. hall, North Waterford, Saturday evening, May 17.

"A Regiment of Two" is clean comedy with military flavor, giving the escapades of two "rounders" trying to escape their wives in a scheme to see bright lights. Using a military company for an alibi, the "gay boys" did the town while their women folk believed them at drill. The scheme worked.

Men, if you need points, by all means see the show. Wives, if you would know more about shy husbands, witness the play. Dancing, with good music, follows the play.

HEBRON

The Ladies' Circle served a supper consisting of mashed potato, cold meat, scallops, hot rolls, cakes, pie and coffee last Wednesday night. Boys' Suits \$5 to \$20

There are some men and women who can pass this ad. right by without reading it—they are the parents who bought their boy's suits here before Easter.

These suits we are featuring now are for Decoration Day and Graduation Day—for the boys who must be stylishly clothed now and who will be looking just as sprightly in the Fall.

For school ending in June—and school beginning in September—one of these suits is a purchase to be proud of from now when the bunting flies until later when the snow flies.

All new models.
